Every Morning May Prayer

Father, I thank you for who you are, what you have done and will do in my life today. I submit myself to you and your purpose and may your will be done!

I pray for protection, provision and prosperity over my family and church family today and I release the power of the Word of GOD to be activated and initiated in my life.

I pray for the lost souls of our world and our communities and ask that the Holy Spirit will convict them of their sins and draw them to salvation.

I pray for signs, wonders, and miracles to take place in my life and my church, not because we need to see them to believe but because we believe we see them.

I ask that the power of the Holy Spirit and all that he represents be released in my life and my world.

Under the authority of Jesus Christ, I rebuke darkness at any level and declare it be broken off me and those around me.

Lord, I declare that you will be exalted in my life, my home and my church and let there be a continual move of your Spirit among us.

Now Father, I thank you for all that you have done, for who you are and for what you are going to do.

In Jesus Name I pray.....Amen
